SUGGESTIONS Fun and quick to stitch, our BOO has attitude. No hiding in the shadows for this little spook. Instead of cotton floss, consider working in Kreinik "pearl" metallic braid or glow-in-the-dark green. Pair your choice with a wild and wonderful, "in you face" Halloween colored fabric. BOO is sized for a small hanging ornament... or when stitched on finer gauge fabric, BOO would make a little lapel pin, sure to inspire conversation when you walk from a place that is light into the shadows.

ENJOY!
