Comfort Kiss

SUGGESTIONS This little Kiss honors those in life who bring us comfort; help us “get better,” often selflessly. My little grand-daughters would call it a “boo-boo” kiss. We stitch our “kisses” on either 30 count R&R Reproductions’ Parched Bones or 28 count Antique White linen from Wichelt Imports. Since this little ministering version is wrapped in white, a softly colored fabric, such as light grey, is a wise choice. The floss colors listed for *Comfort Kiss* are only suggested. Please be encouraged to choose a fabric and thread colors that appeal to you. Check color compatibility by gathering your thread choices and laying them across your chosen fabric. Try different threads or change the fabric color until you are pleased. The design is worked primarily in cross stitch accented with backstitching. All cross stitches are worked with two threads of a six thread strand of cotton floss.
