SUGGESTIONS  
 The Little Independence Mitten is the tailored version of the little mitten inspired by Nantucket's Rainbow Fleet. A line and sample letter are included on the graphed "sail" for placement guidance of a special initial. Your fabric choice is yours to determine. Once chosen, follow the recommended color code or choose your own floss palette... it is a rainbow fleet, after all. For Finishing, consider making a small personalized Christmas ornament for a special pint-sized friend.
