### SUGGESTIONS

The Sweet Sails Mitten is the softer version of a little mitten inspired by Nantucket's Rainbow Fleet. A line and sample letter are included on the graphed "sail" to guide the placement of a special initial. Your fabric choice is yours to determine. Once chosen, follow the recommended color code or choose your own floss palette... it is a rainbow fleet, after all. For Finishing, consider a Christmas garland of grandchild mittens or of cousin mittens for your child or grandchild. Fair Winds!
